Dear KALITTA AIR CUSTOMERS,

Please be informed that IATA has issued an amendment to the liability limitation of Resolution 600b, The Air Waybill Conditions of Contract, effective 30<sup>th</sup> December 2009.

You may continue using current and existing air waybill stocks based on the old resolution until all existing stocks are exhausted. However, the new limit of liability will be applicable to the carriage of all shipments effective 30<sup>th</sup> December 2009, even if old stocks are being used.

Thank you for your valuable support.

Yours sincerely,

KALITTA AIR CARGO
